Sonja: If you can come at 9 or a little before just so you and I can review your testimony that would be great. I would probably call you before the lunch recess. Thanks, Karen

Karen-

No problem. Do you want me there at 9? Or some other time? As a reminder/heads up, I do have a District Court case scheduled in Springfield tomorrow as well, but I do not anticipate any issues with that. As for the case itself, I can't think of any questions I may have about it. It seems pretty straight forward from my side of things, and as long as the defense attorney doesn't start nit-picking about the details of how the instruments work or anything, it should be fairly quick. Thanks.

Sonja: I will need you for trial tomorrow morning in Superior Court. Please let me know if you have any questions about the case. Thanks, Karen

Hi everybody-

Just thought I'd let you know that I do not have court in Westfield today or tomorrow, so I should be available, though Superior Court does take some priority. Thanks.

Thanks for the info. Fred Burns did call me yesterday and explained the situation (including that the defendant may now have an attorney, which he found out about while talking with me). I know that there is (will be?) a motion to continue today, and most likely for tomorrow as well. Would it be possible for someone to let me know if it has been continued as soon as possible so I can try to coordinate my other trials today and tomorrow? Either e-mail or a phone call would be fine. Thanks.
